Dear Entrepreneur,

since the Tax Reform Act in 2003 and the Tax Simplification Act in 2011, the laws regarding the turnover sales tax invoicing and the information required for invoices (§§ 14,14a, 15 UStG) have been adapted to European law. Please check your data for accuracy and completeness and amend it if necessary. The basic entry and the update are free of charge. If you wish to make amendments or supplements, please do so exclusively on the website www.e-b-n.eu under the menu item registration. EBN will update your company's data upon receipt of your information. Enter your Közösségi adószám (ANUM) on this form and amend, if necessary, your company data for the placement of a chargeable order. You will then be given a highlighted entry that is well placed in the EBN. We expect that you will verify the accuracy of your data and ensure it is approved. EBN is not related to any organisation or institution of the European Union or Commission.
