

TechMeetings

1. What is a Techmeeting?

**Is a half a day
matchmaking event**

including a panel
discussion, a pitch
session and 1to1
Meetings

**To have business
opportunities**

with key players in Paris
Region

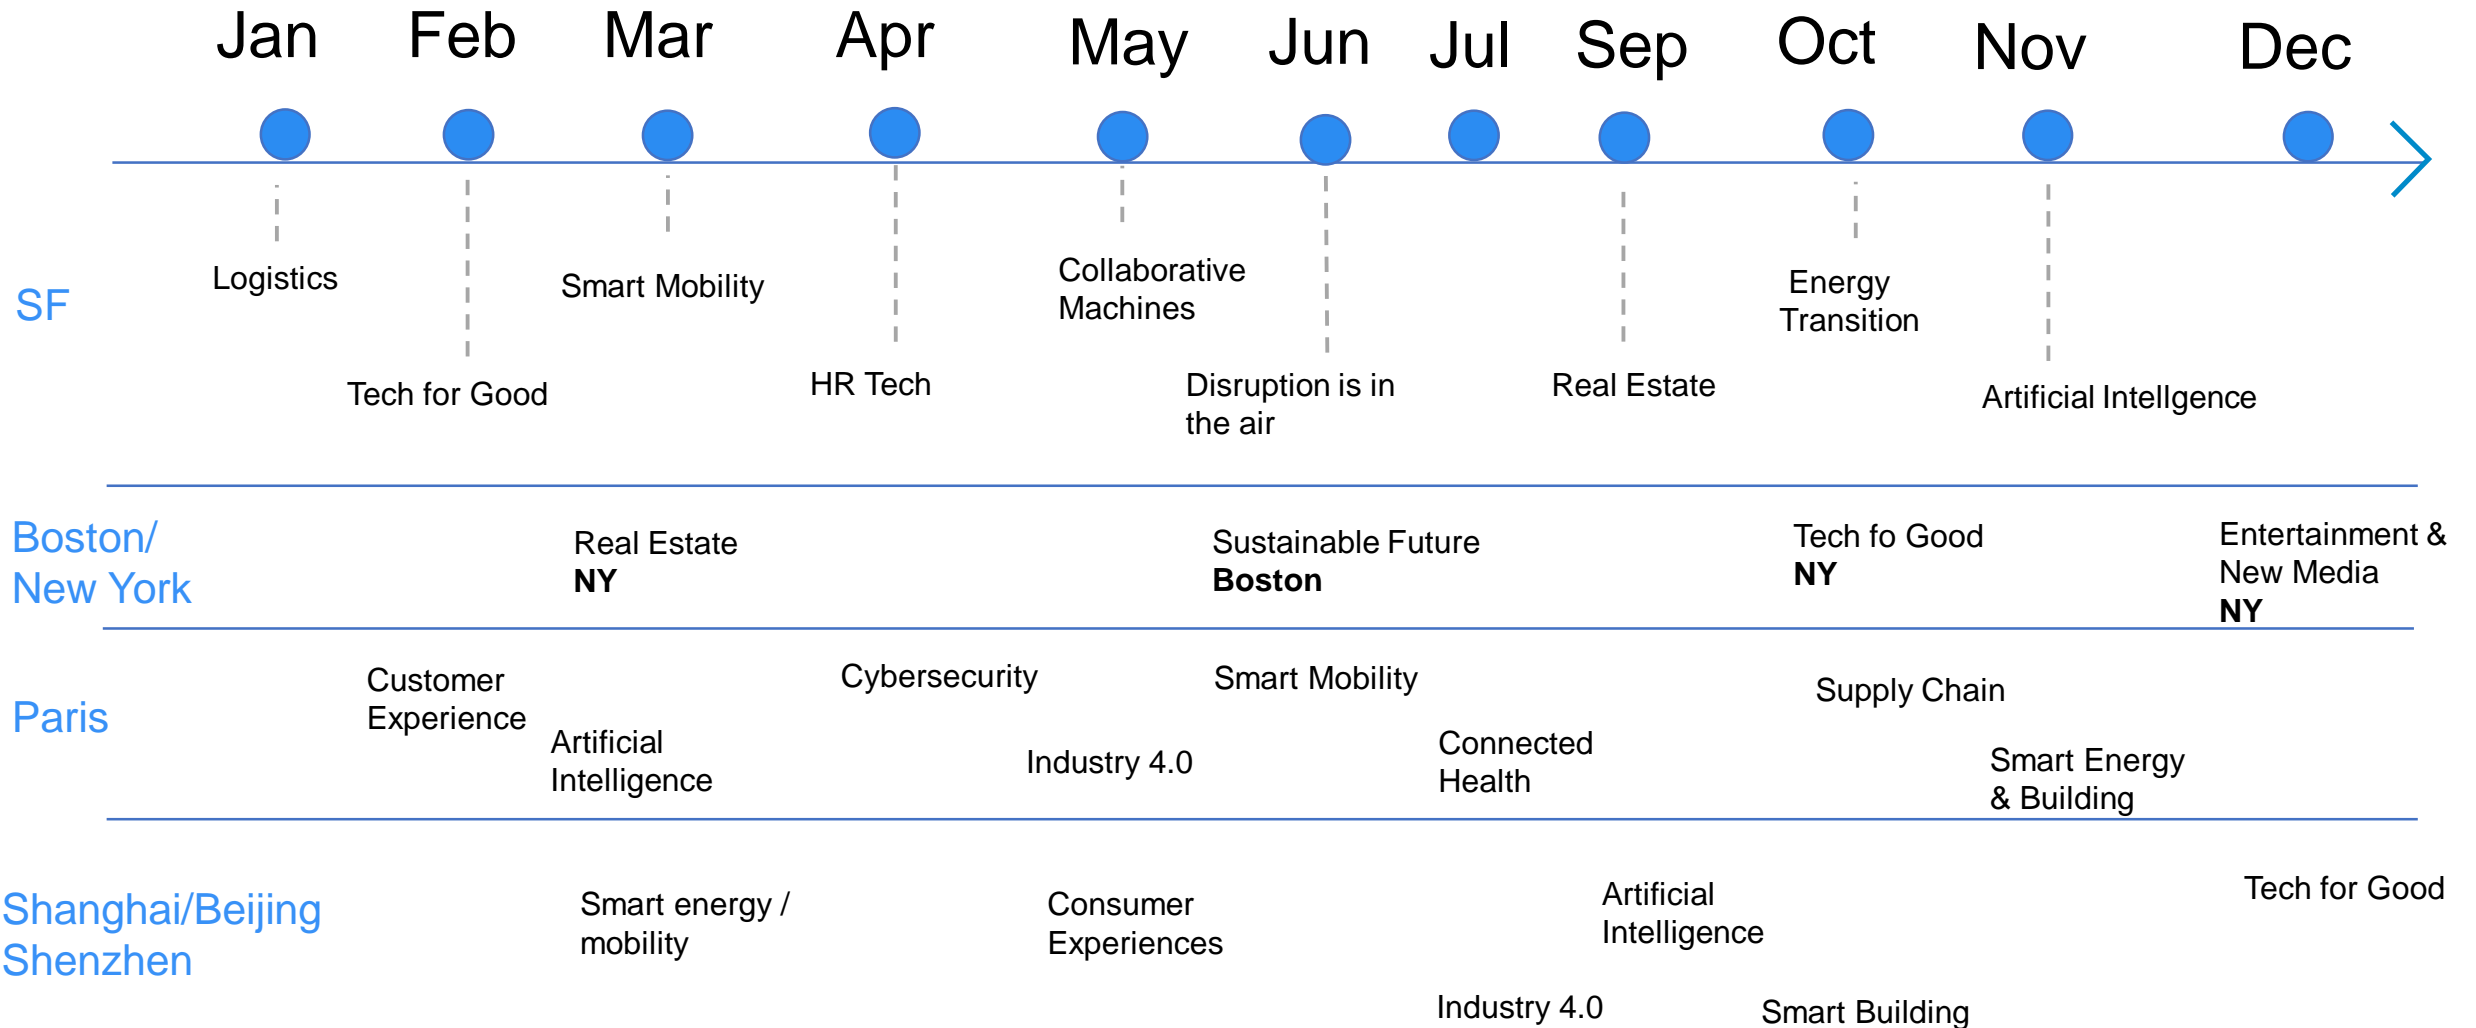

**And to initiate
innovation partnerships**

with French &
International large
corporations

2. Global TechMeetings in 2020

3. Focus on the program 2019 in Paris

THE GLOBAL OPEN INNOVATION NETWORK

MISSION

The Global Open Innovation Network brings together like-minded corporate executives committed to 'bringing outside innovation in' with the goal to accelerate the transformation of their enterprises.

TECHMEETINGS

On a monthly basis, our Techmeetings bring together corporate executives, entrepreneurs, researchers and investors for a unique opportunity to discover innovative solutions and build business partnerships.
