The **Czech Ministry of Labour and Social Affairs** and **State Labour Inspection Office** together with the **European Labour Authority (ELA)** are hosting an information session on the new legislation on declaration procedure when posting workers to Czechia in the framework of the provision of services. This session is designed for employers, NGOs, interested experts and workers and will be **free of charge** (after prior registration).

The online event will give you information about the **updated posting legislation** in Czechia, an interactive demonstration of the Labour Inspection registration portal for notification of posted workers to Czechia, as well as what to expect during a control of the posting rules.

You will be given opportunity to **ask questions**.
